

Charity Board Leadership Study 2025 and CNPL BoardPulse2.0

Background of Charity Board Leadership Study 2025 (CBLS 2025)

Building on the 2020 Board Leadership Study (BLS 2020), the Charity Board Leadership Study 2025 (CBLS 2025) marks the second phase in advancing our understanding of board leadership in the charity sector.

This research aims to establish an evidence-based framework that informs the development of **CNPL BoardPulse2.0** — a self-assessment tool designed to help charity board members gain practical insights for strengthening the performance of their charity boards.

CBLS 2025 Key Output: Charity Board Performance Framework

CBLS 2025 **Key Findings** on Charity Board Performance

1. A board members' **personal motivation and passion to serve the charity's cause (part of board culture)** has the most **influence** on the performance of board functions.

2. Board culture is a critical quality that affects performance. It comprises personal motivation and **strong social norms around active involvement** in board-related matters.

3. Board members must devote sufficient **time and attention** to fulfil their duties. Having **strong interpersonal ties** within the board and management team also facilitates effectiveness.

4. Boards must **balance trade-offs**:

- Independent recruitment VS strong internal social capital
- Serving on multiple boards VS bandwidth

CBLS 2025 Key Recommendations on Enhancing Charity Board Performance

Recruitment

- Recruit board members independently
- Look out for passion and personal investment before considering experience and expertise
- Consider members who hold multiple appointments while ensuring sufficient bandwidth

CNPL 
BoardMatch

Board Development

- Work with board chair to foster a culture of active involvement and open discussion of differing opinions
- Conduct activities that enhance personal investment in the cause
- Create opportunities for board members and management to build interpersonal relationships

CNPL BoardPulse2.0

A self-assessment tool designed to help charity board members gain practical insights for strengthening the performance of their charity boards

BoardPulse2.0 User Journey

Key User: Charity Board Members

Board members complete 20 min **online survey**. A representative from the charity will work with NVPC to disseminate and ensure completion of surveys.

Customised CNPL BoardPulse2.0 Report is generated for charity board after survey period is closed by representative or all members have completed.

Charity uses report to uncover improvement areas and take actions to **strengthen board performance**. Boards can tap on solutions in the eco-system and sharing of best practices.

CNPL BoardPulse2.0 can be taken regularly (e.g., on a yearly basis) to support **continuous improvement**

BoardPulse2.0 Report Key Features

Assessment of Board Functions and Board Qualities identified in Charity Board Performance Framework

- Derived from average of individual scores
- Compared against CBLs 2025 Benchmarks

Usage Notes

- These scores have been provided for information.
- Boards should focus on improving performance as recommended in pages 6 to 8.

Board Qualities

Bandwidth

Bandwidth reflects a board member's capacity to actively engage in governance duties by considering their board and committee meeting attendance. High meeting attendance indicates a strong commitment to the charity and greater availability and focus.

This category provides insight into how much attention and energy each board member is realistically able to dedicate to

Intensity Scores for Your Charity

Lower than CBLs 2025 overall benchmark by more than 10 points

Lower than CBLs 2025 overall benchmark by up to 10 points

Usage Notes

- Identify functions that are performing at less than overall benchmark level (marked yellow or red).
- Refer to analysis on respective detailed results pages to identify recommended focus areas that could be addressed to improve performance.

Advocacy

- Drawing on personal networks to promote the organisation
- Securing resources to aid the organisation's cause

Equal to or better than CBLs 2025 overall benchmark

Oversight

- Ensuring legal and regulatory compliance

Lower than CBLs 2025 overall benchmark by more than 10 points

Strategic Direction

- Identifying gaps and challenges
- Encouraging innovation
- Ensuring efficient resource allocation
- Communicating clear goals with management

Equal to or better than CBLs 2025 overall benchmark

Please refer to page 12 for a complete overview of your Board performance scores benchmarked against charities of similar financial size, status and sector.

BoardPulse2.0 Report Key Features

Ranking of board qualities according to relative importance and influence on the performance of board functions based on model weights in Charity Board Performance Framework

- Highlights more impactful board qualities to facilitate strategic planning
- Prioritise sub-qualities using “to sustain”, “prioritise improvement”, and “to monitor”

1. Advocacy

Advocacy reflects the extent to which individual board members actively promote the charity and expand its external reach. This includes engaging with external stakeholders to build or sustain partnerships, speaking positively about the charity to outside audiences, and leveraging personal networks to identify resources or connections.

This category recognises the board's role as ambassadors and connectors who help the charity grow its influence and access new opportunities. More frequent and proactive involvement helps to raise the charity's profile and strengthen its support base, shaping opportunities for future broadening engagements.

Impact of Sub-Qualities on Advocacy		Your Charity Board's Overall Performance for Advocacy	 80.5 Overall Recommendation: To Sustain
Quality	Sub-Quality		
Board Culture	Personally motivated to invest in charity's cause	Prioritise Improvement	
	Strong internal social ties	To Sustain	
Bandwidth	Committee meeting attendance rate	Prioritise Improvement	
Board Culture	Active participation as a norm	Prioritise Improvement	
Expertise	Expertise in public relations	To Sustain	
Board Culture	Discussing differing opinions as a norm	To Sustain	
Expertise	Expertise in fundraising	To Monitor	
Social Capital	Appointments on other boards	To Monitor	
Social Capital	Expansive external social networks	To Sustain	
Bandwidth	Board meeting attendance rate	To Monitor

Action Planning Template to help charities quickly identify strategic areas to invest in for enhancing board performance

- Template does not need to be submitted to NVPC and is for charities' own use

CNPL  BoardPulse2.0

Action Planning Template

Complete the following steps to record action plans for improving board performance. The template is for the charity's own use and does not need to be submitted to NVPC.

Charity Name	Date of Discussion

Step 1: Identifying Board Functions to Focus On

Using page 5 of CNPL BoardPulse2.0 report, check functions that the board wants to improve on based on analysis of overall performance against relevant benchmarks. Click on checkboxes to mark them.

Board Functions	Advocacy	Oversight	Strategic Direction

BoardPulse2.0 FAQs

The tool is provided to **facilitate charities' needs in reviewing board performance** and partially fulfils GEC Principle 2.2. It is **not compulsory for charities** to utilise the tool and charities do not need to submit plans or report progress to NVPC.

The CNPL BoardPulse2.0 report offers insights to **kick-start discussions** about strategic board performance enhancement. **Discuss the findings with board members to uncover perspectives** that facilitate enhancement action planning.

The results in the customised report are computed based on individual survey responses and the Charity Board Performance Framework to capture **key performance factors that are applicable to boards in general**. Charities should **factor in your board's unique context** which cannot be captured through the CNPL BoardPulse2.0 tool.

The tool is based on self-assessment by individual board members. **It is not a 360 tool.**
